Submitted to His Highness

The Grant-in-Aid rules recently sanctioned require that in the case of English classes in Village Elementary Schools and English Schools in rural areas, the people should contribute two-thirds of the total cost of the maintenance of a class or a school the remaining one-third being borne by Government The Inspector General of Education recommended that for the next three years the rule may be relaxed to a small extent, the proportion of contribution to be paid by the people being reduced from two-thirds to one half of the cost of maintenarce

2 During my recent tours I found the people willing everywhere to pay half the cost and some special facilities have to be afforded in the commencement in order to develop a spirit of self-help The recommendation has the support of the First Member of Council and, as the Inspector General of Education wanted early order has been approved in anticipation of His Highness's sanction

Inspector General of Education in Mysore

To
C S Balasundaram Iyer, Esq , B A ,
Secretary to the Government of H H the Maharaja
of Mysore, Departments of Education, Industries &c ,
Bangalore

SIR

I have the honour to bring to the notice of Government that the Educational Grant-in-Aid Code sanctioned by Government in their Order No 7066/Edn 312-12-3 dated 20th January 1914 requires that in the case of English Classes in Village Elementary Schools and English Schools in rural areas the managers should contribute 2/3rd of the total cost of maintaining a class or a school, and renew their deposits at the beginning of each successive year if the grant is required to be renewed The desire for English Education is now very strongly felt and the ~~maximum~~ number of applications for grants of the nature under reference is also increasing

In these circumstances, I request that for the next three years the rule may be relaxed to a small extent as a tentative measure and the proportion of contribution to be paid by the people reduced from two-thirds to one-half of the total cost, the remaining portion being contributed by Government

I have the honour to be,
Sir,
Your most obedient servant,

Inspector General
